

CORPORATE QUALITY AND ENVIRONMENTAL PROTECTION POLICY

STATEMENT

THE INITIATES PLC believes in employment of innovation and professionalism in delivery quality services in the area of Waste Management and Industrial cleaning services to ensure robust environmental performance.

WE SHALL ACHIEVE THESE THROUGH:

- Establishing quality and environmental objectives at both corporate and departmental levels and reviewed annually for suitability.
- Complying with all relevant legal, regulatory and procedural requirements by adopting the tenets of ISO 9001: 2015 Quality Management System and ISO 14001:2015 Environmental Management system.
- Pursuing continual improvement in quality and environmental performance through monitoring programmes and innovative research and development practices
- Proper resource and waste management by increasing reuse, recycling and improving wastes management methods.
- Being committed to maintaining effective communication systems on environmental and quality matters through training and improved awareness.
- Promoting and communicating its policy within the organization and with other external interested parties.
- All employees have responsibilities for policy implementation by ensuring the effectiveness of the Quality and Environmental Management Systems.
